

Information about the speakers

Speaker Paulo Palha

Vita Paulo Palha is graduated in Agricultural Engineering by the University of Trás-os-Montes and Alto Douro. His professional activity is focused on Green Spaces and Ecological Design, with a strong research component. Currently, he is the Director of the company “Neoturf Espaços Verdes Lda” (translation: “Neoturf green spaces”), which is a member of the International Green Roof Association. He is also founder of the company “Landlab Lda”, and President of the “Portuguese Association for Green Roofs (ANCV)”. Throughout his career he coordinated more than 300 projects of gardens and more than 100 projects of Green Roofs in Portugal and abroad. He also developed teaching and consulting activities, guiding several internships and Master thesis; making several training courses on Green Roofs in different points of Portugal and abroad. He won several national prizes and his work is recognized on a national and international level.
