

## Information about the speakers

---

**Speaker** Mag. Jasmin Soravia LL.M.

**Vita** Professional Experience and Contribution  
Ms. Soravia has a master's degree in business administration (Mag.) and international tax law (LL.M.) and is a certified tax consultant and has a development license.  
She possesses over 20 years of professional experience both in Austria and abroad with multinational companies.  
She worked for PWC and Ernst & Young, one of the biggest consulting companies worldwide, in the areas of tax consultancy and auditing.  
Ms. Soravia has also served in a management position with TJP Advisory & Management Services GmbH as a business consultant encompassing the areas of restructuring, M&A, corporate finance, and project management in the construction, sales, alternative energy, real estate and tourism industries.  
Later on Ms. Soravia held a management position at STRABAG AG, one of the biggest construction companies in Europe, stock exchange listed, where she was responsible for real estate and property administration, purchase and sales both domestically and abroad, as well as Asset Management.  
Further more Ms. Soravia has been in charge of the operational management of the Conwert Property Group, an international real estate company, listed on the stock exchange, responsible for Austria and CEE.  
Now Ms. Soravia is back in the family group, she is CEO of SoReal GmbH, the Austrian project development company of the Soravia Group, responsible for Austria and Germany.
